

Welcome from NVCF

“We are thrilled to have the leadership of the former PCTN create a fund at the North Valley Community Foundation. The Ridge Coalition for Peace and Justice mission is key to the well being of our community and our partnership enables them to continue forward while reducing overhead cost, liability, and funding needs. We exist to be a foundation for change and we align ourselves with causes like RCPJ to help fuel their good work. Welcome to NVCF!”

A FUND OF NORTH VALLEY COMMUNITY FOUNDATION

Annie B's is HERE

This year Annie B's Community Drive means more to us than ever. For years we have participated, but now that we are joining North Valley Community Foundation (NVCF) it will mean even more. Annie B will now become our major community fundraiser and we need your support!

Annie B's Community Drive is now the way to show support for our ongoing mission since we will no longer have our yearly membership drive. Your assistance in the past and through this transition is important to us and to continuing our mission on the Ridge.

Remember, during the Annie B's Community Drive, the donation you make will be supplemented with a percentage grant from NVCF. Simply make your donation between August 1 and September 30.
